

S5 into S6 Personalisation and Choice

S6 2026 – 2027

ONE TO ONE SUPPORT: You will have a discussion with a member of the Senior Leadership Team and this will begin with 4 key questions:

What subjects do you enjoy and feel most confident in right now, and why?

What are your Interim Assessment results telling you about where you could succeed in S6?

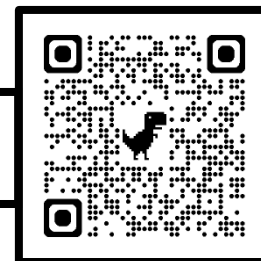

Are there any careers, skills, or interests you want your choices to keep open for the future?

Is there anything affecting your learning or wellbeing that we should consider when helping you choose?

<p>You will study each subject chosen 6 periods per week, along with Core RE for 2 periods per week and Core PSE for 1 period per week. For any National Progression Awards or Group Awards, you should check that the SCQF L5/6 qualification aligns with entry requirements for potential apprenticeships / college / university applications. S6s wishing to study AHs which are not offered in STA must apply to the GCC Advanced Higher Hub for a place to study your desired AH in another GCC school. More information will be shared with you as soon as is available (usually June). AH* - please discuss with Art / Music if you wish to study AH in these subjects before making your subject choices.</p>				

If there is an issue with one of your choices, your pastoral care teacher or year head will let you know as soon as possible.
