## Welcome Back!

A very warm welcome to all our families as we return to school for a new school year. We hope you have all enjoyed a happy and restful break. We are especially delighted to welcome all of our new children and families to our school community. We look forward to getting to know you and sharing many happy experiences together throughout the year.

Our monthly newsletter will continue to keep families up to date with important information, school news, upcoming events and celebrations. We hope you enjoy reading it and find it a useful way to stay connected with all that is happening in our school.

Copies of our newsletters can also be found on the school website for you to access at any time.

## Car Park

We understand that some of our families make use of the car park during drop-off and pick-up. However, please remember that our disabled parking bays are reserved for families who require them. If you do not have a Blue Badge, we kindly ask that you leave these spaces available at all times for those who need them. Thank you for your understanding and consideration.

## School and office opening hours

Just a quick reminder that our school office opens at 8.30am each morning. Before this time, there is no clerical staff available to open the front door or answer telephone calls. We kindly ask families to please bear this in mind and contact the office after 8.30am.

The school bell rings at 9.00am, which marks the start of the school day for all children. Children will only be permitted to enter the front door before 9.00am if they are attending Breakfast Club, an arrangement made with the management team or, where there is heavy rainfall, to ensure they are kept safe and dry.

Thank you for your understanding and cooperation.

## Parent Pay and School menus

Some of our families have asked about our school lunch menus so that they can choose and order lunches at home. Please see the menu link below for the current options.

### Menu

If you forget to order your child's lunch, please don't worry! Our teaching staff will go through the lunch choices with the children each morning before teaching begins, so there will still be an opportunity for your child to choose their lunch.

Thank you for your support!

## Homework and PE days

Our teaching staff will begin their planning for the first term next week and will communicate PE days and homework arrangements with families shortly.

Please keep an eye on your emails for further information and updates.  
Thank you for your patience and support!
