Day

## January seems to have gone in a flash!

Our Scottish Week assembly was, as usual, a wonderful display of pupil talent across all stages. P7 led all classes through the story of Robert Burns' life, with Scottish songs and poems from each class. The day was topped off by Im Bru and shortbread being scooped by all. No windy weather was going to let us not celebrate, so we had it on Monday 27th!

Our Ornithologists encouraged us to be on the look out for birds, and to record them for the Big Garden Birdwatch. Well done if you managed to record the birds you saw.

A music teacher from YMI has been in working with our P1 and 2 pupils. It's fabulous, and all of the children are loving the music and the instruments.

Our LCR classes are again enjoying tennis sessions with Cedric.

P1, 2 and 3 have all received their Book Bug and Read, Write Count bags. Thanks to those who could make it along to go through the activities with your children :)

## Lost Property

Please put names on everything and please ask your child to remember to collect what is theirs.

There is a MULTITUDE of jumpers, cardigans and jackets in the hall. Please feel free to come and have a look if you are missing any clothing items.

## Chinese New Year

All classes will be learning about Chinese New Year and how it is celebrated.

## Primary 7 Transition

Our P7s have started their Transition visits and activities to their respective high schools.

As part of the Transition Process our mainstream P7 class have been given the opportunity to visit Easterhouse Sports Centre to take part in the HENOSIS project. They have 9 weeks of sport and activity with coaches at the centre on a Tuesday afternoon.

# Absence reporting

In the event of your child being absent for any reason, or if they have an appointment, please follow GCC procedures by visiting

### After School Clubs

We are fortunate to have teachers and coaches taking after school clubs:

**Monday** Football for P6 and 7

**Tuesday** Multisports for P3

**Wednesday** Athletics for P6 and 7

**Thursday** Dance for P1 and 2

### LCR trips!

We have been fortunate enough to have the use of a bus on a Thursday and Friday for our LCR pupils.

Croftcroighn School have been very generous in allowing us to have the use of the bus, so most of our children will be able to access outdoor activities and visits which so far have been inaccessible.

### Parents4FutureScotland

We were lucky enough to have a representative from Parents4FutureScotland come to Sunnyside for the second year in a row! Rosie talked to the parents who came along about air pollution, its affects our climate, and what we can do to help.

The children of the parents who came along joined in at the end of the day and all took part in a quiz all about air pollution. Rosie was very impressed by the children's knowledge on the subject, and also with what Sunnyside has been involved in. The children were able to talk about the Air Filters they made for each class in the school.
