Religious and Moral education

This term, we will be learning about the following:

Cultural

Diversity Day

A range of religious and cultural events are discussed at our weekly assemblies. We use these opportunities to reflect on our values, and celebrate the diversity of our community.

Science / Social Subjects

Our interdisciplinary learning (**IDL**) theme for this term is:

Under the Sea, The Water Cycle, Living Things, Wallacewell Road

We will be studying:

The children will be learning about the Environment and world around us. They will explore different living creatures and where they live through Under the Sea and Living Things. They will learn about the different states of water and their local environment through Wallacewell Road.

Technologies

Technology is embedded across the curriculum, but we will be developing specific skills and knowledge in:

Construction

Problem-solving

Use of iPad

Other useful information:

Our PE days are: Tuesday and Thursday

Remember you can keep up to date with our learning through the school website.
