Religious and Moral education

This term, we will be learning about the following:

Buddhism

A range of religious and cultural events are discussed at our weekly assemblies. We use these opportunities to reflect on our values, and celebrate the diversity of our community.

Science / Social Subjects

Our interdisciplinary learning (**IDL**) theme for this term is:

Water Cycle, Living Things, Wallacewell Road(Our Community)

We will be studying:

The children will be learning more about the world we live in. They will explore different living things (plants and animals) through our learning context Living Things. They will learn about the different states of water and explore this through practical experiments. They will learn about our local community.

Technologies

Technology is embedded across the curriculum, but we will be developing specific skills and knowledge in:

Construction

Problem-solving

Digital tools

Computational thinking

Other useful information:

Our PE days are: Monday and Thursday

Remember you can keep up to date with our learning through the school website.
