## Primary 6a

Term 4

Summer 2025

Schools across Scotland follow the *Curriculum for Excellence*, which is divided into eight broad curriculum areas.

The curriculum is divided in to different levels → Pupils in Nursery and P1 generally work within the *Early* level Pupils in P2, P3 and P4 generally work within the *First* level Pupils in P5, P6 and P7 generally work within the *Second* level

### Literacy and English

The class will be reading:

PM Guided Reading

*Please remember to bring books back to school every day.*

Our **Reading** focus will be:

Identifying fact or opinion      Understanding  
Features of a book

The genre(s) for our **Writing** focus will be:

Recount

We will be looking at features including:

Punctuation (advanced)      Adverbs  
Homophones      Writers' craft  
Adjectives

In **Listening and talking**, we will be developing:

Contributing to discussions      Sharing ideas  
Presenting      Note-taking

### Numeracy and mathematics

Our work in **Numeracy** will include:

Measure (length)      Percentages  
Measure (capacity/volume)      Time (analogue / digital)  
Measure

Our work in **Mathematics** will include:

No mathematics this term.

### Health and wellbeing

In **PE**, we will be developing our skills in:

Athletics      Rounders

Other aspects of **HWB** we will look at include:

Substance misuse (alcohol)

PATHS

### Expressive Arts

The **expressive arts** are woven across the curriculum.

**Art and design**      Line Drawing  
                            Use of colour

**Dance**      No dance this term

**Drama**      Role play  
                            Freeze-frame

                            Singing

### Religious and Moral education

This term, we will be learning about the following:

*Buddhism*      Vesak  
*Seasonal*      Summer Solstice  
*Cultural*      Pride Month

A range of religious and cultural events are discussed at our weekly assemblies. We use these opportunities to reflect on our values, and celebrate the diversity of our community.

### Science / Social Subjects

Our interdisciplinary learning (**IDL**) theme for this term is:

Oceans  
We will be studying: Oceans

Explore the world's oceans by studying the levels, biodiversity of creatures and plantlife - lifecycles, foodchains. We will also explore the problems facing the oceans through pollution and fishing, current news and scientific discoveries.

### Technologies

Technology is embedded across the curriculum, but we will be developing specific skills and knowledge in:

Research      Recycling  
Collaboration      Use of iPad

### Other useful information:

Our PE days are: **Tuesday and Friday**

**Remember you can keep up to date with our learning through the school website.**
