Roll a Silly Sentence Center Directions:

Materials: 1 dice, pencil, crayons, recording sheet, 1 choice page for each student in the center.

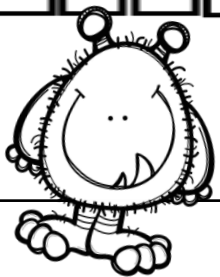

Directions: You will be rolling the dice a total of 4 times.

- On your first roll you will be using the **Who** column. So if you were to roll a 2, you would write down, "The cat" on your recording sheet.
- On your second roll you will be looking at the **What** column and if you were to roll a 5 you would write down "walked" on your recording sheet.
- On your third roll you will be looking at the **Where** column and if you were to roll a 4 you would write down "down the street" on your recording sheet.
- On your fourth and final roll you will be looking at the **When** column and if you were to roll a 3 you would write down, "on Monday." on your recording sheet.

- So your silly sentence would read:

The cat walked down the street on Monday.

- Not every sentence will be "silly" but hopefully you will get a few crazy ones!
- Once you have done this 5 times you can pick one sentence and draw a picture to go with it on the back of the recording sheet.

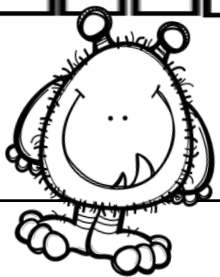

Roll a Silly Sentence

choice page #1

	Who:	What:	Where:	When:
