

Egyptian Paper Model: Snake Headband Instructions

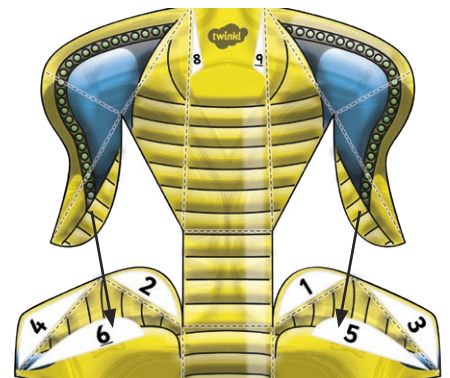

- Carefully cut out the parts of the model along the solid black outline.
- Fold along dotted lines.

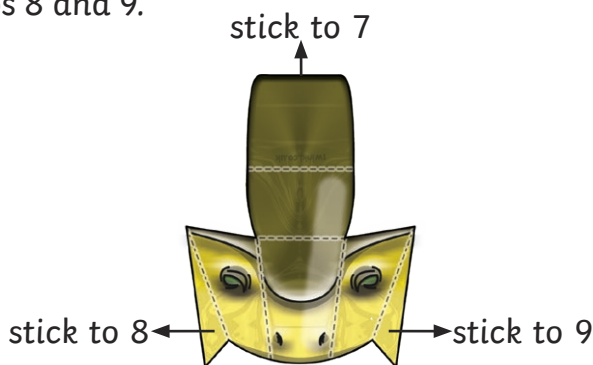

- Glue tabs 1-4 behind the snake's neck.

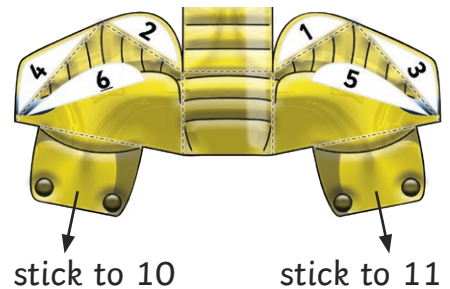

- Glue the snake's neck hood to tabs 5 and 6.

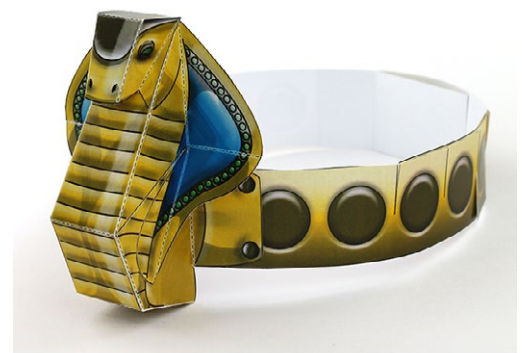

- Glue the top of the head tab to tab 7 and the triangle shaped parts of the head to tabs 8 and 9.

- Cut out the three head band strips, remembering to cut all solid black lines, and glue snake's neck tabs to tabs 10 and 11.

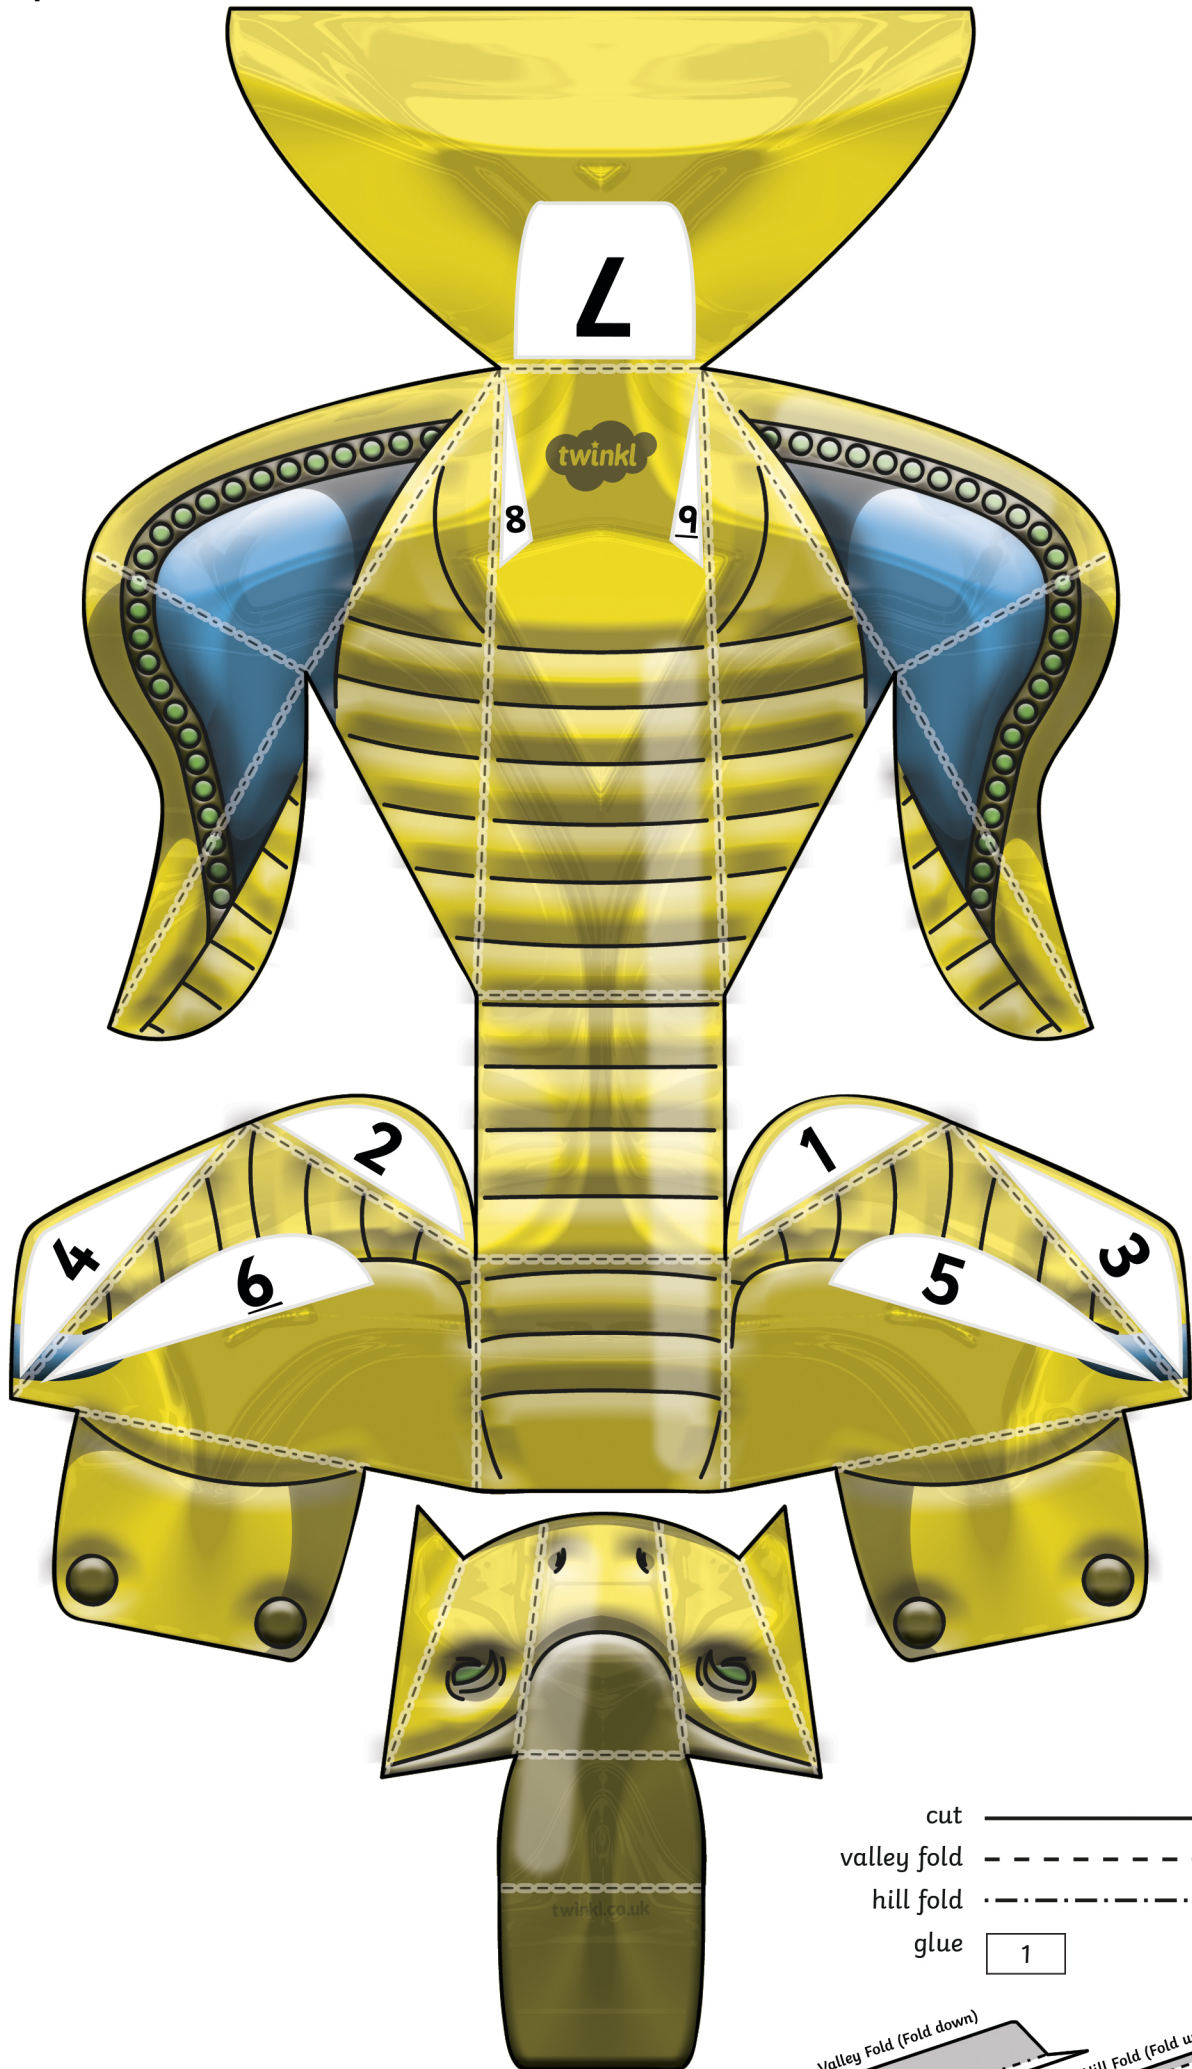

- Glue tab 12 to the end of the strip with tab 10 on and lock in headband slits to create the correct size.
