

Character's Thoughts

At the end of Chapter 5, we hear that Tilda and Charlie have finally found the secret Roman doorway and Charlie has suddenly disappeared! Imagine you are Charlie or Tilda. Write down what you might be thinking, any questions or things you are wondering about and your predictions about what might happen next.

Part A

The worksheet contains two large thought bubbles for writing. The top bubble is connected to a drawing of Charlie, a boy with short hair, wearing a t-shirt and a choker, holding a small object in his hand. The bottom bubble is connected to a drawing of Tilda, a girl with long hair and freckles, wearing a t-shirt. Each thought bubble contains five horizontal lines for writing.
