Widgets are used

## Widgets

The screenshot shows a WordPress widget interface. At the top, there is a blue header with the text "Widgets" and "Just another Explore Blogs weblog". Below this, the main content area displays a blog post titled "Hello world!". The post is dated "Published on September 24, 2014 in Uncategorized. 1 Comment" and contains the text "Welcome to Explore Blogs. This is your first post. Edit or delete it, then start blogging!". To the right of the post title is an "Edit" button. Further right is a search bar with the placeholder text "Type and Wait to Search". Below the search bar, there is a "Latest" section with a feed icon, showing the post "Hello world!". At the bottom of the widget, there are links for "Log out", "post / edit / administer", and "Explore Blogs".

## Dashboard < Widgets – WordPress

## Widgets < Widgets — WordPress

The screenshot shows the WordPress Widgets management interface. At the top, there is a navigation bar with the WordPress logo, the word "Widgets", and a "Visit Site" link. On the right side of the navigation bar, there are links for "New Post", "Howdy, Fancy Nickname | Turbo | Log Out", "Screen Options", and "Help".

On the left side, there is a sidebar menu with the following items: Dashboard, Posts, Media, Links, Pages, Comments, Appearance (expanded), Themes, Widgets (selected), K2 Options, Custom Header, Plugins, Users, Authors & Users, Your Profile, Add Users, Tools, Settings, and General.

The main content area is titled "Widgets" and contains a section for "Available Widgets". Below this section, there is a list of widgets that can be dragged to the sidebar. The widgets are arranged in two columns:

- Archives**: A monthly archive of your blog's posts
- Calendar**: A calendar of your blog's posts
- Categories**: A list or dropdown of categories
- K2 About**: Message about the current area and optional front-page message
- K2 Asides**: Asides on your sidebar
- Links**: Your blogroll
- Meta**: Log in/out, admin, feed and WordPress links
- Pages**: Your blog's WordPress Pages
- Recent Comments**: The most recent comments
- Recent Posts**: The most recent posts on your blog
- RSS**: Entries from any RSS or Atom feed
- Search**: Search
- Taa Cloud**: Taa Cloud

On the right side of the main content area, there are two sidebar areas labeled "Sidebar 1" and "Sidebar 2", each with a dropdown arrow.
