

PEOPLE WHO HELP US

AUGUST – NOVEMBER 2013

Synopsis:

As pupils settle into the school environment they will learn how to seek help and support for themselves and one another and will be introduced to adults who help them in school. They will then deepen their understanding of 'People Who Help Us' by exploring the wider community and developing an understanding of the role of local police, fire service, dental care, GP services school crossing attendants, librarians...

Big Questions children should be able to answer by the end of the topic

- Why might you need to ask for help? What could be wrong?
- If you have a problem in school who can you ask for help? Why this person?
- Name two jobs of people who help us outside school and explain what these people can do to help.

Main focus – highlight
