### INSPIRING ARTS IDEAS FOR TEACHERS

## LOOKING FOR A MOTIVATIONAL TEACHER TRAINING DAY?

Catalyst is a programme of inspiring arts based professional development days which take place throughout the UK, organised by The Prince's Foundation for Children & the Arts.

Each Catalyst day is held in a cultural venue. During the day teachers work with professional artists to focus on interactive and innovative teaching ideas designed for Primary 4 – 7 pupils.

Teachers will work with different art forms, including poetry, visual arts, drama, storytelling, dance or music. At the end of the day each participant receives a 120 page resource book that can be used in the classroom.

We look forward to seeing you there!

*"It's absolutely central for children to get involved. We cannot live without children connecting with the arts. That's not to be allowed."*

BAZ LURHMANN, Ambassador for Children & the Arts

## VISUAL ART AND STORYTELLING FOR LEVEL 2 At the Palace of Holyroodhouse

The official residence in Scotland of Her Majesty The Queen stands against the spectacular backdrop of Arthur's Seat. Reflecting the changing taste of successive monarchs, the royal apartments contain magnificent architecture, furnishings and portraiture. The Queen's Gallery within the Palace Mews hosts a changing programme of exhibitions from the Royal Collection.

The Catalyst day will specialise in visual art and storytelling activities and ideas to be used across the curriculum. You will learn techniques which will enable you to bring the arts into your day to day teaching practice and discover ways to use these art forms to engage your whole class.
