pupils in their
school

Go4SET
EDT

Environmentally themed 10 week STEM
projects for Year 8/9 & S2 (12-14 yr old) students*

* Science, Technology, Engineering and Mathematics

www.go4set.org.uk

Reasons to get involved...

Enhance learning

Pupils benefit from personal development education enhancing their powers of creativity and innovation.

Think differently about STEM

Go4SET raises pupils awareness of STEM, changes perceptions and highlights future career opportunities.

Concentrate and develop

Pupils are empowered to make informed decisions about their Key Stage 4/Standard Grade options.

Measurable benefits

90% of teachers felt the launch, company visit and celebration event were extremely effective

Go4SET changes pupils' perceptions of science and engineering, following their experience pupils now describe scientists and engineers as professional, well paid, logical and clever.

"Pupils gain a flavour of what it is like to work as part of a team, to solve a problem alongside practising engineers and gain an insight into the world of STEM"

Simon Gladwin, Teacher from Thomas Estley

Go4SET

EDT

- Teams of 6 Year 8/9 & S2 students
- 10 week environmentally themed STEM experience linked with a local company
- Work related learning and industrial enterprise
- Competition and Prizes
