

Where do your skills fit in textiles, leather & fashion?

4.30 – 6.30pm Wednesday 1 March
Dalhousie Building, University of Dundee, DD1 5EN
FREE EVENT – book your ticket now

Into Industry is an informal event giving pupils & teaching staff opportunities to explore careers in Scotland's **textiles, leather and fashion industries**. Organisations taking part include: Kalopsia, PatternCutter UK, Don & Low, Uan Wool, Halley Stevenson and BeFab BeCreative.

- Identify your skills & learn where these would be relevant in the work place
- Chat with companies from the local area about job opportunities and the skills they are looking for in their workforce
- Learn more about products made in Scotland
- Learn about fashion & textiles programmes at DJCAD, University of Dundee
- Meet support agencies that can help develop business & practical skills

Places are limited, book your free ticket now: <https://goo.gl/EizGkS>

This event is part of the *Scottish Textiles Academic Group Masterclass & Learning Journey Programme 17*, visit www.facebook.com/STAGinformation to find out about future events.
