

# Secondary Sciences Network Webinar Calendar

When?	Topic
February	Lab Skills - Introduction & Networking
March	Employability & Science Qualifications
March	Focus on...NPA's & FA's
April	Focus on...Skills for Work Qualifications
May	Focus on...Supporting ASN in the Sciences

## **Dates/times to be confirmed**

In response to your feedback, Education Scotland will be offering a range of webinars to support the delivery of the sciences. With input from practitioners and other partners, we can support staff with implementation of new qualifications and provide opportunities for networking

**Shape the network...Set the narrative...Share good practice**

## **ALL WELCOME**
