Sustainable Solutions: Roads of the Future Challenge

Transport Scotland invites you to take part in the Sustainable Solutions: Roads of the Future Challenge 2026

Transport Scotland's Academy9 challenges pupils to design their own sustainable road in line with the United Nations Sustainable Development Goals (SDGs). Their innovative designs will be judged by sustainability experts currently working on the A9 Dualling.

How does it work? The challenge is teacher-led and supported by a dedicated sustainability mentor for each school. Comprehensive resources are provided, including a step-by-step lesson plan aligned with Curriculum for Excellence experiences and outcomes.

Who is it for? P6, P7, S1, S2 and S3 pupils, either in class or in after-school clubs

When? From Monday 19th January to Friday 27th March 2026, for a maximum of 10 hours. The schedule is flexible to fit your timetable.

Ready to join? Visit bit.ly/A9_SS2026_School to sign up!
