SUSTRANS

Throughout September, Sustrans will be delivering a programme of cycling and scooting to pupils in some of our classes. Sustrans is a charity which aims to develop interest and confidence in sustainable transport. All equipment is provided although pupils may take their own if they wish. If they choose to do so they should be left securely in the bike shed at the Glendale Primary entrance.

Seachdain Matamataig Alba/Maths Week Scotland 11-18 September

Maths Week has been created as a result of the *Making Maths Count* group's recommendations as a way to raise the profile of maths and its importance in all aspects of our lives. In its inaugural year we hope to contribute by fostering a positive mathematical mind set and making Maths fun. Look out for #glasgowmathsweek on twitter!

Bùthan-obrach STEM/STEM Roadshow

Our C6 and C7 pupils have been invited to attend a STEM Roadshow, organised by BAE Systems and hosted by Sgoil Ghàidhlig Ghlaschu, on Monday 11th September. This is a wonderful opportunity for pupils from P6 to S2 to find out more about the type of STEM careers that are available and it is a fun, live interactive presentation, with the aim to inspire. We can't wait to hear all about it!

Co-chomhairleadh FMG/GME Consultation—Education Scotland visit

As part of the consultation on GME currently taking place in Glasgow, a representative from Education Scotland will be visiting Bunsgoil Ghàidhlig Ghleann Dail on Tuesday 12th September 2017. Many thanks for the excellent and supportive response I've had from parents with regards to this part of the consultation process.

Oifigearan Òigridh Sàbhailteachd Rathaidhean/Junior Road Safety Officers

Congratulations to Rachael Wilson (C7) and Charlie O' Rourke (C6) who have been elected as our Junior Road Safety Officers for this year. They will attend the Induction Day at the City Chambers on Wednesday 13th September.

Dealbhan C1/Evening Times P1 Photos

The Evening Times will be visiting the school on Tuesday 19th September to take their annual 'First Day at School' souvenir photograph. Please ensure that media permission forms have been returned to the school so that we know who can and cannot be included in this photo.

Feasgar Curraicealaim/Curriculum Evening

On Thursday 28th September we are holding a curriculum evening in the school from 6:30-7:30pm. The evening will start with a brief introduction from school staff in the gym hall, followed by 3 curricular workshops: Early Literacy, Reading Strategies and Health and Well-being. These workshops will last 20 minutes and parents can choose 2 to participate in. We will issue options forms prior to the event with brief descriptions of each workshop. We hope that parents will find this an informative and useful session.

Seachdain Eco/Eco Week

Our campus Eco Week will take place during the week 2nd-6th October. There are lots of exciting activities planned for pupils.

Leabhar-aithris ionnsachaidh/Snapshot jotters

Snapshot jotters will continue to be implemented this session and our Snapshot showcase afternoons will begin at the end of the second snapshot week, as the first snapshot week coincides with Eco week. More information will be issued nearer the time.

Aithris Eadar-amail/Interim Reports

We are continuing the use of interim reports this year which will give parents/carers a brief overview of how your child has settled into the new school year. These will be included with the first Snapshot jotter on Friday 6th October.

Fiosrachadh/Information about Head Lice

Head Lice are a common problem in school aged children. They can't be prevented, but regular checking ensures early detection and treatment if necessary. Parents and carers should check their children's head once a week during hair washing. You need your usual shampoo, conditioner, and a detection comb – ask your local pharmacist to recommend a suitable one. Remember that you are looking for living moving lice, the only evidence that your child is infected. If you find a living louse, ask your local pharmacist, health visitor or GP for advice regarding treatment.
