

Poileasaidh Sgudal-sgapte

Bunsgoil Ghàidhlig Ghleann Dail

Tha sinn a' creidsinn gu bheil leigeil sgudal-sgapte ceàrr oir

- tha e cunnartach do beathaichean.
- tha e a' toirt air an àite a' coimhead mì-sgiobalta.
- dh' fhaodadh e a bhith toirt air beathaichean tighinn nuair nach eil thu ag iarraidh.
- dh' faodadh na stuthan a bhith air an ath-chleachdadh no ath-chuairteachadh agus tha seo nas fheàrr airson an àrainneachd.

Bidh sgoilearan is luchd-obrach a' cur sgudal anns a' bhiona.

Bidh sgoilearan is luchd-obrach a' cleachdadh na bionaichean ceart a-rèir sgudal is ath-chuairteachadh.

Bidh sinn a' cumail sgudal nar pòcaidean gus am bi sinn a' lorg biona.

Bidh a' Chomhairle Eco a' brosnachadh a' togail sgudal-sgapte le stiogairean agus co-fharpaisen.

Litter Policy

Bunsgoil Ghàidhlig Ghleann Dail

We believe littering to be wrong because

- it is dangerous to animals.
- it causes an area to look unpleasant.
- it can attract animals which may not be wanted.
- items could be re-used or recycled which would be much better for the planet.

Pupils and staff will put their rubbish in the bin.

Pupils and staff will use the correct bins for rubbish and recycling.

We will keep out litter in our pockets until we find a bin.

The Eco Committee will encourage picking up litter with stickers and competitions.
