## School Information

### C7 FilmG

Class 7 has been hard at work planning and recording their own short film inspired by Britain's Got Talent. Their creativity, teamwork, and dedication have truly shone throughout this project.

The students have poured their hearts into every detail, and we are incredibly proud of their efforts. With such hard work and talent on display, we are feeling optimistic about an award coming their way! Stay tuned for updates next week!

### Adverse Weather Conditions

As winter approaches, we're taking steps to ensure smooth communication during the colder months. To help us stay connected, please notify our office staff if you have recently updated your contact details so we can keep our records current. We've also added important information to the school website to keep you informed in the event of adverse weather conditions. Be sure to check the website regularly for updates. Thank you for helping us stay prepared!

## Author Visit

We were thrilled to welcome Gaelic book authors Mairi NicGilliosa and Mary Giles to our school this week! During their visit, they captivated our students with an engaging presentation of their book 'Uncaill Dod'. They also led a lively song session and guided the children through a creative art activity inspired by the story. It was a wonderful opportunity for our students to connect with Gaelic culture and storytelling in a fun and interactive way!

## Parent Portal

We're thrilled that most of our families have already signed up for the Parent Portal-thank you for your participation! However, there are still around 50 families who need to complete their registration.

Starting in the new year, the Parent Portal will be our primary platform booking parent-teacher appointments, making trip payments, and more.

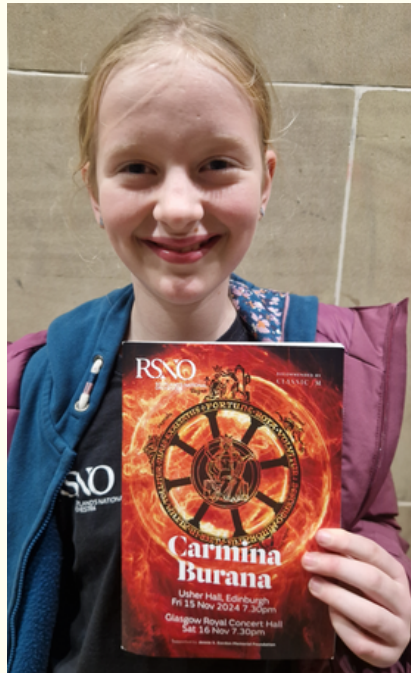

If you haven't signed up yet or need assistance, our clerical team is happy to help. Let's work together to ensure everyone is ready for this transition!

Thank you for your support!

# Achievements

Tess from C7 is a talented member of the RSN Youth Chorus, recently showcased her vocal skills in breathtaking performances of Carmina Burana. She graced the stage at two iconic venues: the Usher Hall in Edinburgh and the Glasgow Royal Concert Hall. Congratulations, Tess, on these incredible achievements!

We're thrilled to announce that India has earned a spot on the Scottish FA Emerging Talent Programme for young female footballers after excelling in trials earlier this year. She recently completed a 24-week course designed to enhance her skills and received outstanding feedback from her coaches, reflecting her dedication and progress. This achievement highlights India's hard work and commitment to her football journey!
