## Parent Portal reminder

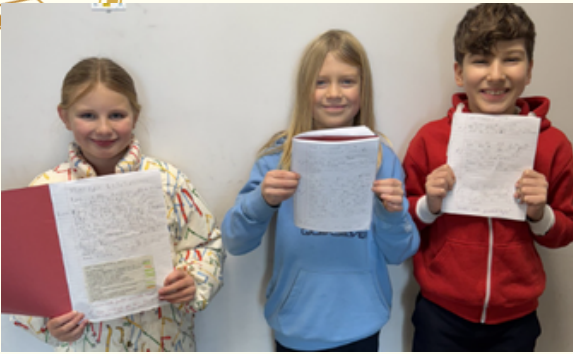

We're thrilled that most of our families have already signed up for the Parent Portal-thank you for your participation! However, there are still around 50 families who need to complete their registration. Starting in the new year, the Parent Portal will be our primary platform booking parent-teacher appointments, making trip payments, and more. If you haven't signed up yet or need assistance, our clerical team is happy to help. Let's work together to ensure everyone is ready for this transition! Thank you for your support!
