Frithealadh Sgoile/School Attendance

Within Bunsgoil Ghàidhlig Ghleann Dail excellent attendance is always encouraged. Parents are asked to advise if their child is going to be absent. This should be done as early as possible on the first day of absence. If the young person is going to be absent for some time, it would be helpful to know at the earliest opportunity. The school uses daily messaging to inform parents and carers of absence if no contact is made. All unexplained absence is investigated by the school and appropriate action taken. All calls must be made to the Pupil Absence Reporting Line on 0141 287 0039. The line is open between 08.00-15.30 Monday to Friday. Alternatively, you can use the online form on the Glasgow City Council website: <https://www.glasgow.gov.uk/article/4277/Pupil-Absence-Reporting>

Cùram slàinte agus rùnaireachd leigheis/ Health Care and Administration of Medicines

The school nurse visits at various times during the year for routine health checks, vaccinations and medical examinations. Parents are kept informed by letter.

If a child becomes ill during the school day, he/she may require to be sent home. Please ensure that you keep the school informed of all contact details.

Parents should inform the school of any medical requirements relating to their child. If a child requires medication during the school day, parents must complete the appropriate medical forms. This is available on request from the school office.

Serious Accidents or Illness

Parents or emergency contacts are notified immediately. The importance of having an up-to-date emergency contact cannot be overemphasised. In the case of serious accidents requiring immediate medical attention, the child will be transported to hospital while the parent is contacted and asked to meet the child and teacher there. In the case of a minor injury, the school's first aiders will follow the appropriate procedure and either an information slip will be sent home in the child's bag or a call will be made if the child is required to go home.

Reducing the Risk of Transmission of Infection

We ask that you follow current medical advice regarding infectious diseases. There is a very useful poster produced by the NHS, this is on display at the school office. You can access this poster via the following link:

<https://assets.publishing.service.gov.uk/media/626669cb8fa8f523b7221b98/UKHSA-should-I-keep-my-child-off-school-guidance-A3-poster.pdf>

You are therefore asked to notify the school office if your child has one of the following infections:

- ✓ Chickenpox
- ✓ Diarrhoea and Vomiting
- ✓ Cold and Flu-like illness
- ✓ Impetigo
- ✓ Measles
- ✓ Mumps
- ✓ Scabies
- ✓ Scarlet Fever
- ✓ Whooping Cough

Suidheachadh Èiginn/Emergencies

We make every effort to maintain a full educational service, but on some occasions, circumstances arise which lead to disruption. Schools may be affected by, for example, severe weather, temporary interruption of transport, power failures or difficulties of fuel supply.

In such cases, we shall do all we can to let you know about the details of our closure or re-opening by using letters, texts and the local media etc.

Deise-Sgoile/School Uniform

The school uniform is:

- White shirt/polo shirt
- School tie
- Navy trousers
- Navy/tartan skirt
- Red jumper

Sweatshirts, cardigans, polo shirts and ties with the school logo are available for purchase at the Gilmour Sports or online at www.schoolwearmadeeasy.com.

Our uniform was agreed in consultation with pupils and parents. **It is expected that all children attending Bunsgoil Ghàidhlig Ghleann Dail will adhere to this dress code.**

Aodach Spòrs/PE Kit

It is important that pupils come prepared to learn, and for Physical Education this requires appropriate clothing. All jewellery should be removed. Pupils who are not participating in PE must have a note or a medical certificate. Pupils who are unable to participate in practical PE should still bring their kit to allow them to assist in the lesson by refereeing, keeping scores or assisting with the distribution of equipment. This ensures that they are still able to take part in some way in the work of the class and do not miss out on the knowledge and understanding of the course.

There are forms of dress that are unacceptable in school, such as items of clothing which:

- Potentially encourage factions (such as football colours)
- Could cause offence (such as anti-religious symbolism or political slogans)
- Could cause health and safety difficulties (such as loose-fitting clothing, jewellery)
- Could cause damage to flooring
- Carry advertising particularly for alcohol or tobacco
- Could be used to inflict damage on other pupils

Tabhartas Aodaich/Clothing & Footwear Grants

Parents/Carers receiving Income Support, Job Seekers Allowance (Income Based), Working Tax Credit (check link below for thresholds), Housing Benefit, Council Tax Benefit or Universal Credit (check link below for thresholds) will normally be entitled to monetary grants for footwear and clothing for their children. Information and application forms may be obtained through the Glasgow City Council website:

<https://www.glasgow.gov.uk/article/2492/Clothing-Grants-Free-School-Meals>

The Breakfast Club

Glasgow's Big Breakfast is available in all Glasgow primary schools every weekday morning. Children can enjoy a nutritional breakfast of fruit juice, cereal and milk, toast and fresh fruit prior to the start of the school day. Children can socialise with their friends in a supervised and safe environment. Breakfast is available from 8.00am until 8.45am at a cost of £2 per day for the eldest child, £1 per day for all other siblings and free of charge to children who are entitled to free school meals

Dinnear Sgoile/School Meals

Our school provides a lunch service which offers a variety of meals and snacks. Medical diets for children can be provided.

Children who prefer to bring packed lunches will be accommodated in a suitable area.

All children in P1-5 are entitled to a free school meal.

If you plan to send your child/children to breakfast club, you should inform the staff of any medical dietary requirements.

Children and young people of parents/carers receiving Income Support, income-based Job Seekers Allowance, Working Tax Credit (check link below for thresholds), Child Tax Credit only (check link below for thresholds), Universal Credit (check link below for thresholds) and income-related Employment and Support Allowance are entitled to a free midday meal. Information and application forms for free school meals may be obtained at:

<https://www.glasgow.gov.uk/article/2492/Clothing-Grants-Free-School-Meals>

Còmhdhail/Transport

The education authority has a policy of providing free transport to all pupils who live outwith a certain radius from their local school by the recognised shortest walking route. This means that the provision of transport could be reviewed at any time. Parents/Carers who consider they are eligible should complete an online application form:

<https://www.glasgow.gov.uk/article/5505/School-Travel-Assistance>

The responsibility of ensuring safe and acceptable behaviour remains with parent/carers of a child travelling on a school transport vehicle. Misbehaviour or action which could put the safety of others at risk may result in the removal of the provision of transport by the authority. This may be temporary or permanent.

Making Payments

The introduction of 'ParentPay' means that the school does not accept any cash or cheques for clubs, trips or lunches. Only online payments are accepted via the school or Council website. For further information see the link below. You will also be able to select your child's school meals through this site and make any donations for events we hold such as non-uniform day trips:

<https://www.parentpay.com/>

Parentsportal

parentsportal.scot

'Parentsportal' is an app which can be downloaded to a phone. The purpose of this system is to reduce paperwork between school and home. Through this app you will be able to access and review our annual data check, consent forms for excursions and select appointments for parents evenings.

Cunntas Diomhair Is Dìon Fiosrachaidh/Privacy Statement and Data Protection

We collect information about children attending school (and about parents/carers, emergency contacts etc. provided in the annual data check) to allow us to carry out the Council's functions

Curraicealam airson Sàr-Mhathais/Curriculum for Excellence 3-18

‘S e ar n-amas gun tèid gach cuspair sa churraicealam a libhrigeadh tro mheadhan na Gàidhlig.

It is our aim to ensure that each area of the curriculum is delivered through Gaelic.

Curriculum for Excellence has been introduced to raise standards of learning and teaching for all 3 to 18 year olds. It aims to help prepare children and young people with the knowledge and skills they need in a fast-changing world. As part of Curriculum for Excellence all children from pre-school to the end of S3 will receive a rounded education known as a Broad General Education (BGE). Curriculum for Excellence is all about bringing real life into the classroom and taking lessons beyond it.

Through the experiences we provide at Bunscoil Ghàidhlig Ghleann Dail we want our children to become Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors. We are committed to providing children with a broad general education and focus on eight curriculum areas.

Progress in learning is indicated through curriculum levels as detailed below.

Level	Stage

First	To the end of P4, but earlier or later for some
Second	To the end of P7, but earlier or later for some

Na h-Ealain Chruthachail/Expressive Arts

The inspiration and power of the arts play a vital role in enabling our children and young people to enhance their creative talent and develop their artistic skills.

Slàinte agus Sunnd/Health and Well-being

Learning in health and wellbeing ensures that children and young people develop the knowledge, understanding and skills which they need now and, in the future, to help them with their physical, emotional and social wellbeing.

Saidheans/Science

Science and its practical application in healthcare and industry is central to our economic future, for our health and wellbeing as individuals and as a society.

Cuspairean Sòisealta/Social Studies

Through social studies, children and young people develop their understanding of the world by learning about other people and places both past and present, societies, their beliefs and values.

Eòlas Creideimh agus Moraltachd/Religious and Moral Education

The Religious Education curriculum is based on that published in Curriculum for Excellence. Our children are expected to study and gain knowledge about aspects of Christianity, Islam and Judaism. Classes will learn about religious stories, traditions and celebrations. Throughout the year we will also hold assemblies during which children can share their learning about major religious festivals.

Knowing other languages and understanding other cultures is a 21st century skill set for students as they prepare to live and work in a global society.

Amhairc Chreideimh/Religious Observance

We do not currently have links with any local churches. Ministers can be asked to assist with the Christianity element of Religious and Moral Education and provides opportunities for religious observance. Parents have the right to withdraw their child from religious observance and should inform the school in writing.

In addition, parents and carers from religions other than Christianity may request that their children may be permitted to be absent from school to celebrate recognised religious events. Only written requests detailing the proposed arrangements will be considered. Appropriate requests will be granted on up to 3 occasions in any 1 school session.

Measadh agus ag aithris/Assessment & Reporting

All children are assessed both formally and informally throughout the year. This allows children and their teachers to identify their strengths and areas for improvement. A variety of assessment methods are used to enable staff to pass on information to parents about the progress of their child. Assessment records are kept by the class teacher and form the basis of discussion at Parents' Evenings in November and May. An annual report is sent to parents towards the end of each school year.

If you have any concerns about your child's progress do not hesitate to contact the school.

MC57: Child Protection and Safeguarding

Keeping Children and Young People Safe

Educational establishments and services must create and maintain a positive ethos and climate which actively promotes child welfare and a safe environment by:

- ***ensuring that children are respected and listened to.***
- ensuring that health and wellbeing is central to the curriculum.
- ensuring that staff are aware of Management Circular 57 and child protection procedures and concerns.
- ensuring that any CP or Safeguarding concerns are progressed as per MC57 guidance.
- establishing and maintaining close working relationships and arrangements with all other agencies to make sure that professionals collaborate effectively in protecting children.
- ensuring the name of the Child Protection Coordinator and Depute Child Protection Coordinator(s) is on display within the establishment.

Name of CP Coordinator: Jamie McCusker

Name of Depute CP Coordinator(s): Samantha Lindsay & Michelle Walker

All educational establishments and services must take positive steps to help children and young people by ensuring that safeguarding is promoted through all elements of education including leadership, values, vision, the curriculum, learning and teaching, positive relationships, ethos and building resilience in our learners.

Safeguarding supports the development of learner's knowledge, skills and resilience to keep themselves safe and to protect themselves and develop an understanding of the world so that they can respond to a range of issues and potential risky situations arising throughout their lives.

Safeguarding and wellbeing issues are addressed through our personal, social and health education curriculum and care should be taken to ensure our children have opportunity to develop such knowledge and understanding within our establishments.

As with other areas of the curriculum, you will be kept informed of the health and wellbeing programme for your child's establishment.

Eagrachadh Sgoilear/Pupil Profiles

Every child leaving primary school in Scotland has their key achievements in school, at home and in the community documented within a P7 profile. The content of the profile is decided by the young person. The profile is a positive record of their achievements and emphasis their strengths. The profile provides a valuable way for learners to share valuable information about their achievements with their parents and teachers in secondary school.

Taic airson Sgoilearan/Support for Pupils

The school has a duty to ensure that all pupils have equal access to the curriculum, with appropriate support for their needs if required. This applies to the content of lessons, teaching strategies and minor adaptations to the school environment. There are a wide range of factors which may act as a barrier to learning. We are committed to working closely with parents and carers to ensure that they are fully involved in any decisions about support for their children's needs. **Do you want to highlight ASN?**

Any parent or carer seeking further advice regarding this policy should contact the Headteacher in the first instance.

Further information relating to additional support needs is available on the Glasgow City Council website at <https://www.glasgow.gov.uk/article/4726/Additional-Support-Needs>

Information on the Glasgow City Councils' Parental Involvement Strategy can also be found at <https://www.glasgow.gov.uk/article/5518/Parental-Involvement>

Leasachadh Sgoile/School Improvement

On an annual basis, you will receive a copy of our Standards and Quality report. Copies from previous years are available on the school website. The Standards and Quality report highlights progress in key curricular areas such as literacy, numeracy and health & wellbeing. Our priorities for improvement are detailed in our School Improvement Plan which is discussed with our Parent Council. Any parent or carer seeking a copy of the plan can contact the school office or check out our website.

Dàimhealachd agus Modh/Positive Relationships and Behaviour

do you want to change this to Rights Respecting School?

Children's Rights as outlined in the UNCRC (United Nations Convention on the Rights of the Child) are fundamental to a good school ethos. Adults in our school will work with children to ensure they are aware of their rights and fully respect the rights of others. Therefore, the approach within Glendale Gaelic Primary School is to build a positive ethos that demonstrates care and respect for all. Positive behaviour is recognised and celebrated. Our school operates a system of class charters to set out expected behaviour. This is celebrated through Golden Time treats, awards at assemblies and certificates sent home to parents etc.

The highest standards of behaviour are always expected of pupils. **Where this is not the case, a variety of sanctions are used.** Parents are asked to co-operate with the school in encouraging a sense of responsibility and good behaviour in their children.

Obair-dachaigh/Home Learning

Continuing to learn at home helps children to achieve more and is a vital part of our partnership with parents. Please check your child's schoolbag and Glow account / emails for communication about home learning and specific tasks. **A copy of our home learning policy is available on the website and on request from the school office. Nothing on the website**

Comhairle nam Pàrant/Parent Council

We have a very active Parent Council that represents the views of all parents. All parents are welcome to attend Parent Council meetings and can become members at the AGM in September. Parent Council minutes are available on the Parent Council page of the school website and on request from the school office. A list of current members is also available on the website.

Comhairle nan Sgoilear/Campus Council is this current?

Our Campus Council is made up of 1 representative from each year group. This is an important group which ensures that the views of pupils are heard. Our pupils are allocated a house when starting with us, there are 4 houses: Na h-Iolairéan Buidhe, Na Feòragan Ruadha, Na Gearran-Bana and Na Fèidh. Houses have a captain and a vice captain who represent the views of their houses. Pupils attend house assemblies where the views of all pupils are sought on important matters.

Clubaichean as-dèidh na Sgoile/Extra Curricular Activities

We have a wide range of activities that run throughout the year to extend the learning experience. **These currently include cheerleading, badminton, mileathon, netball, athletics, bikeability and running. Information regarding these is sent out on Parent Mail.**

Good links with community organisations and our Active Schools Co-ordinator are vital for the success of these programmes.
