

School Improvement Plan 2025-26

Improvement Priority 1

Increase attainment in literacy by:

- Increased focus on Gaelic Writing
- Improved Gaelic Immersion pedagogy
- Embedding quality feedback techniques
- More online Gaelic resources shared with parents

Improvement Priority 2

Increase attainment in numeracy by:

- Increased consistency with Glasgow Counts Pedagogy
- Embedding quality feedback techniques
- Numeracy resources shared with parents
- Pilot MAGMA maths app in class

Improvement Priority 3

Continue to develop our nurturing approach:

- Working with Education Psychology on communication strategies
- Using the Circle Framework to identify supportive strategies
- Restorative behaviour practice
- Information sharing on displays, website and drop in events for families

Other Changes

- More parental involvement during Wellbeing meetings
- Reporting format changes
- Forward planning format changes
- Greater use of data throughout the year
- Changes to homework provision
- Overhaul of house system
