

School Improvement Plan 2026-27

Improvement Priority 1

Increase attainment in literacy and numeracy by:

- Implement Glasgow's new numeracy frameworks.
- Engagement in Glasgow's synthetic phonics approach.

Improvement Priority 2

Increase pupils experiences of Sustainable learning and musical participation:

- Increase CLPL for STEM.
- Potential engagement in STEM award.
- Seek and share opportunities for partnerships to increase musical experiences reflective of our GME setting.

Improvement Priority 3

Continue to embed our inclusive approach:

- Embed National Autism Implementation Team training from last session.
- Emotion Works Silver Award.
- Circle Framework and revised ASN paperwork.

Other Changes

- Improvements to targetted Intervention Groups.
- Focus on consistency of differentiation throughout school.
- Creation of Gàidhlig phonic tracking (whole school)
