HMIE – we heard this week that Castleton will be inspected at the end of June. We welcome the team on Tuesday 16th June, and they are with us for three days. I will be sending out more information on the inspection process and how you can get involved. I would urge you to take part and have your voice heard 😊 Much more information to follow however you can find out more about inspection, from the [Inspection and review documentation](#) pages of HMIE's website.
