

CASTLEMILK COMMUNITY COUNCIL NEEDS YOUR HELP! – As part of ongoing work to support and improve services within the Castlemilk area, Castlemilk Community Council are currently seeking feedback from local residents through the Castlemilk Locality Survey. See message below -

The Locality Plan survey will help us identify gaps in the community, develop an action plan and give us the evidence we need to work with stakeholders and organisations to make changes within the community.

We would appreciate it if you could take 5-10mins to help us fill in the survey below:

Thank you for taking time to complete!

OPAL PLAYGROUND PROJECT – We are having a Dress as You Please on Thursday 24th September. As you know we are working with OPAL to create better outdoor play experiences for all our children. So instead of asking for money we are asking for donations of things we need for our playgrounds. Each class will have two bingo cards, and the idea is that the children donate an item to complete the bingo card as a class. PLEASE don't buy anything, just donate something you can from what you already have in the house. Bingo cards are attached for your reference 😊

RARING2GO! MAGAZINE – They have been busy pulling together their Autumn Magazine with lots of things for families to do this season, they hope you enjoy reading it as much as they enjoyed pulling it together! Please find the Raring2go! Autumn edition below...
