

How to Make Put Away The Shopping

-  an empty shoe box
-  mini cereal boxes
-  sticky tape
-  scissors
-  food leaflet

-  glue
-  paint
-  pen
-  paintbrush

-  1. Cut three lines into one side of the box to create a flap.
-  2. Tape down any openings except for the new flap.
-  3. Paint the box if you want.

-  4. Do this for each box or until you have the number of cupboards you want to have.
-  5. Leave to dry.
-  6. Cut out food and drink pictures from any food leaflets that you have.
-  7. Once cereal boxes are dry, stick inside of the empty shoe box.
-  8. You might want to write or draw a label on your cupboards.
-  9. Now have fun putting your shopping pictures into the correct cupboard.

 You might want to add fridges and freezers.

 You might want to get pictures of cookers, washing machines, kettles and other things you might find in a kitchen. You can get these from other leaflets and catalogues. Then your shoe box can look like a whole kitchen,
