

# social distance

To help us stay safe, we have to stay 2 metres away from people who don't live in our house.

adult arms out stretched

70 lego bricks side by side

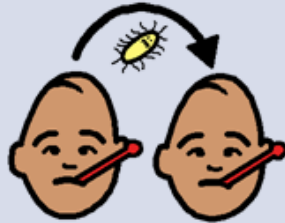

twice the length of a child arms out stretched

double bed

horse

Germs can't jump as far as 2 metres.  
What is 2 metres?

209 lego bricks stacked

I can

I cannot

smile at  
someone

sing with  
someone

message  
someone

say hi

talk on the  
phone

write a letter

wave

text someone

draw  
something for  
someone

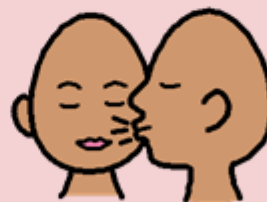

shake hands

high five

hug

kiss

share my  
snack

play tag

Remember if someone lives in your house, you can still do these things with them!

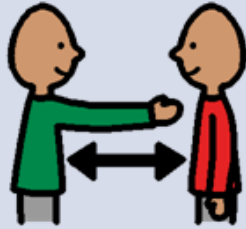

# Remember

wash hands with soap

talk about your worries

Stay 2 metres away

you might be told to wear a mask

you can still have fun
