

# How to play Mirror Masks

You will need

different types of eye wear such as glasses or eye patches.

different types of hats

different types of masks.

mirror

What to do

1. Child chooses one item to put on e.g. glasses

2. Show child mirror.

3. Talk about what you looked at so that you knew they were still them, although they looked different.

4. Child chooses an item for the adult to try.

5. Adult looks in mirror.

6. Ask questions about what looks the same. e.g. mouth, nose, hair.

7. Repeat and have fun!
