Friday

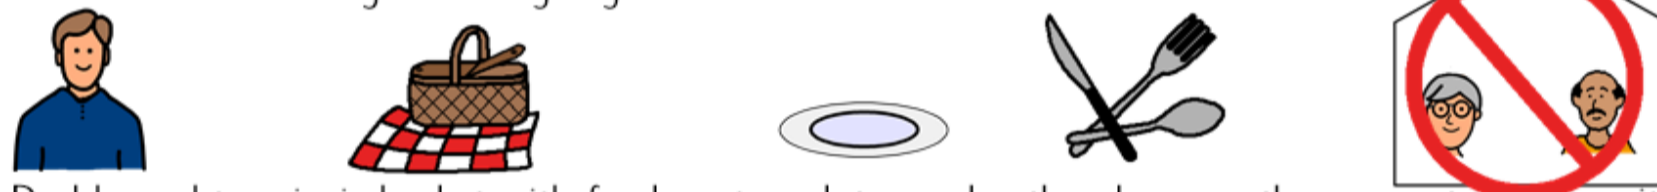

On Friday they went to visit Granny Mary and Grandpa Joe. This is Dad's Mum and Dad.

They wanted to visit Granny Annie and Grandpa Dean, but they can only visit one household a day.

Mum and Dad had called Granny Annie on Thursday night and she told them not to worry, because Auntie Fay and Paul would be visiting them anyway.

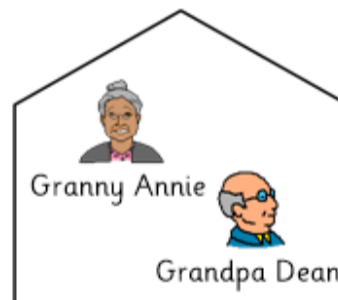

Dad brought a picnic basket with food, water, plates and cutlery because they cannot use these items from another household.

Saturday

On Saturday they went to visit Granny Annie and Grandpa Dean.

They stayed in the garden for a couple of hours in the morning but had to leave when Mum needed the toilet.

Josh and Jane felt annoyed with Mum because Granny Annie and Grandpa Dean had a toilet at their house.

When they got home, Mum and Dad showed Josh and Jane the rules about going to visit others during Phase 1.

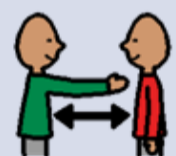

# Phase 1 Visiting Rules

You cannot go into someone else's house.

You should stay outside, like in their garden, instead.

You should stay 2 metres away from anyone who does not live in your house.

You cannot use their cutlery, plates or cups etc.

You can bring your own with you.

You can only visit one household per day.

Sunday

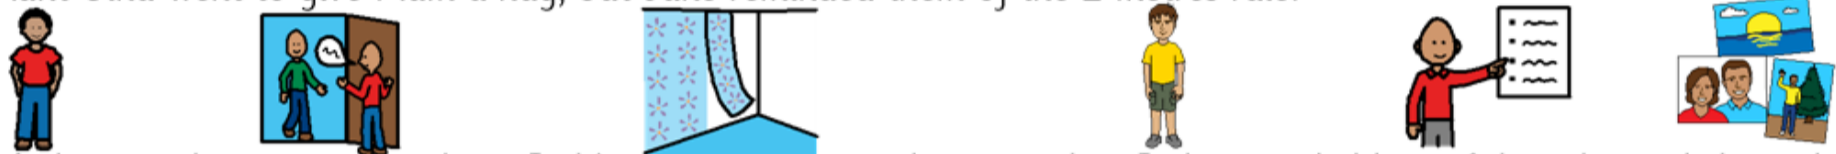

On Sunday, they decided to stay home because they were getting visitors.

Uncle Steve, Aunt Gina, Mark and Pheeb were coming to play in their garden.

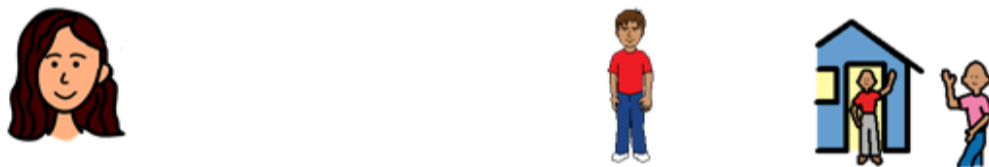

Aunt Gina went to give Mum a hug, but Jane reminded them of the 2 metres rule.

Mark wanted to come in and see Josh's new wallpaper in his room, but Josh reminded him of the rules and showed him a picture instead.

It was hard to follow the rules, but the families did their best. After a couple of hours, Uncle Steve, Aunt Gina, Mark and Pheeb went home.

Later Auntie Fay phoned to see if she and Paul could come visit.

Josh and Jane were disappointed when Dad said no because they had already had visitors that day.

Josh checked the rules and asked could they go and visit Auntie Fay.

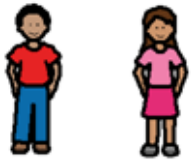

Mum explained that the rule was about meeting only one household in a day.

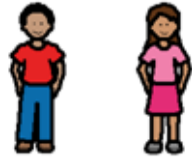

Dad asked Auntie Fay if she and Paul wanted to come and visit them the next day.

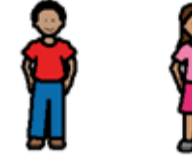

Auntie Fay said she and Paul were very excited and would bring their own picnic so they could stay a bit longer.

Josh and Jane found the new rules hard at first, but soon got used to them.

They realised that the more people stuck to the rules, the quicker they would be able to move onto Phase 2 and the 3 and then 4!

They knew that they would be able to visit their family and friends in their homes one day soon and they were excited about that!
