

Do you have a continuous cough?

Have you been exercising?

Have you been running?

Is it just one or two coughs?

Were you drinking too quickly?

Have a drink of water or wait a few minutes to see if you feel better.

Have you been coughing a lot for more than an hour?

Have you coughed a lot in the last 24 hours?

Do you have asthma?

Tell an adult and they'll be able to help you.

Remember, we are here to help and keep you safe and well.
