

# My School Passport

Each year you can fill out  
another page of your  
passport.

This might be something  
you do in school as a class  
or something to do at  
home.

I want my new teacher to know

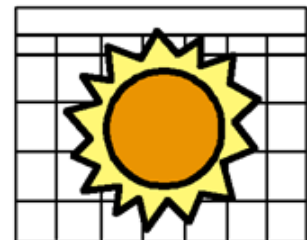

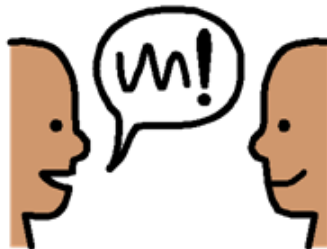

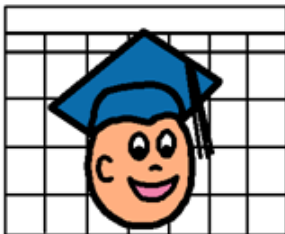

Sometimes when we move into a new school year some things might change.

Sometimes we might move to a new classroom or get a new teacher or have some different pupils in class with us.

The school will tell us before we start the new school year.
