

When should I wash my hands?

before eating

when an adult tells me

when my hands are dirty

after I have been to the toilet

How do I wash my hands?

wet hands

add 2 squirts of soap

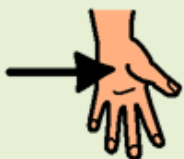

rub hands together

wash wrists.

wash fingers and between fingers.

wash palms

wash back of hands

count 20 seconds.

rinse hands.

dry hands

When I am finished I should...

turn off taps.

show my adult my clean hands
