

# Face Covering and School

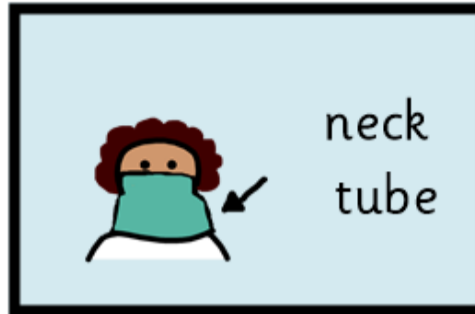

what is a face covering?

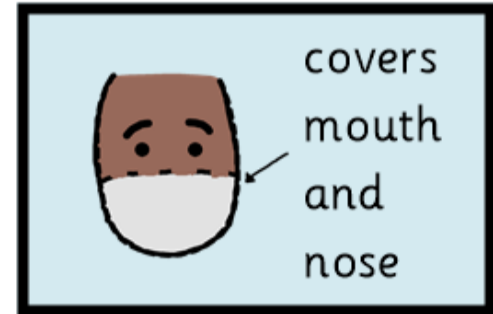

face mask

scarf

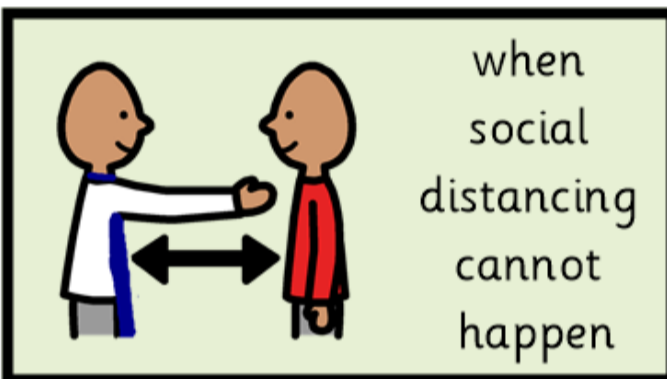

neck tube

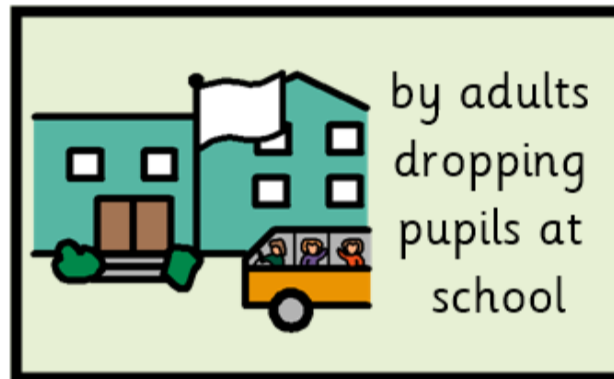

covers mouth and nose

when should a face covering be worn?

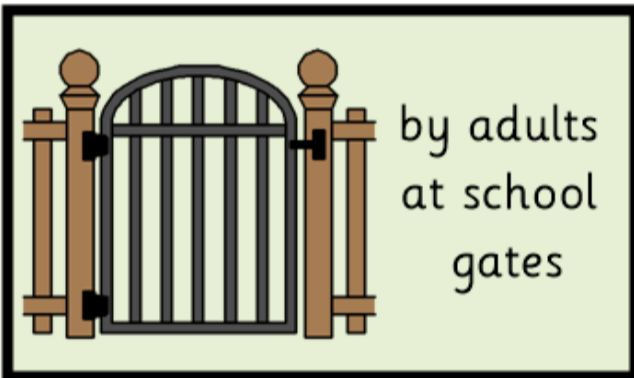

when social distancing cannot happen

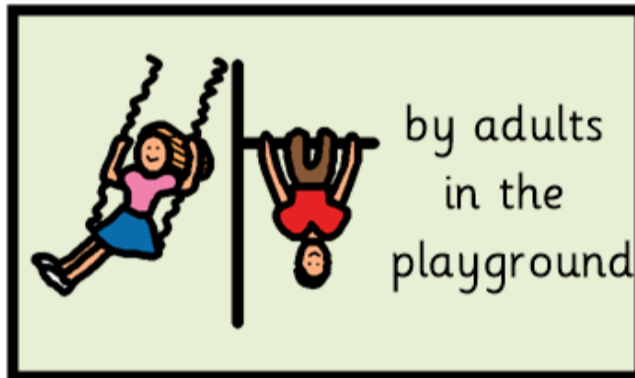

by adults dropping pupils at school

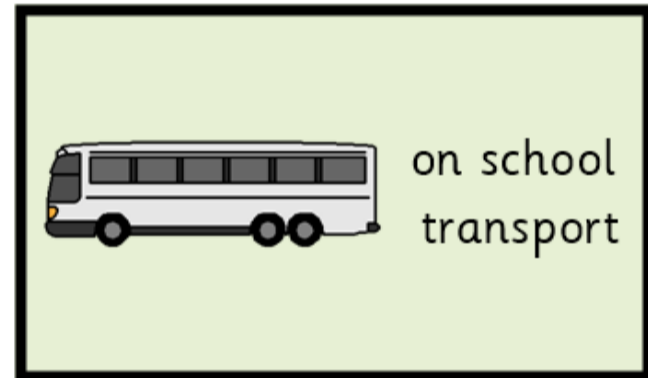

by adults collecting pupils from school

by adults at school gates

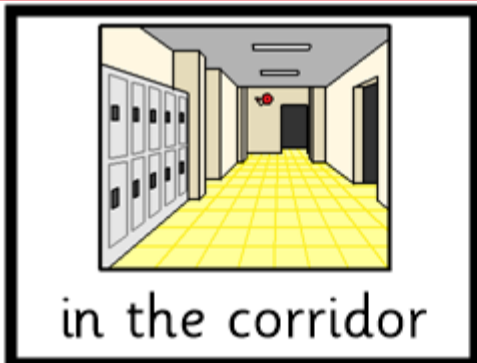

by adults in the playground

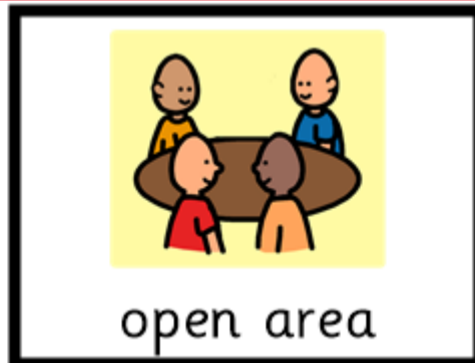

on school transport

## Wearing Masks in Secondary School

in the corridor

open area

communal areas

level 3 and 4

S4, S5 and S6 pupils in class and their teacher.

There are other times people may wear masks and this is okay.

Some adults may not wear a mask and this is okay.
