

Returning to School Check In

This is how I feel about coming back to school

excited

happy

fine

disappointed

sad

scared

something
else

I am looking forward to

seeing friends

seeing staff

being back at
school

working

learning new
things

something else

I am a bit nervous about

seeing friends

seeing staff

being back at
school

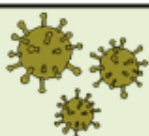

working

learning new
things

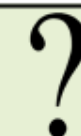

wearing a mask

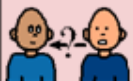

covid

staying safe

something else

I would like to ask a question about coming back.
