

What is bullying?

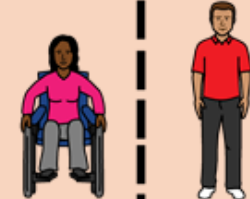

name calling

verbal abuse

repeatedly making fun of someone

discrimination

physical abuse

threats

excluding someone

trolling

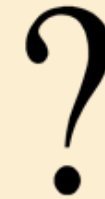

deliberately trying to hurt someone

trying to harm someone's reputation

trying to control or harm someone

something else

Bullying only happens in school.

False, bullying can take place anywhere.

Only young people bully.

False.

Bullies are bad people.

False, often bullies are people who need help and support.

Sometimes, bullying is acceptable.

False, bullying someone is NEVER okay.
