

# Slavery

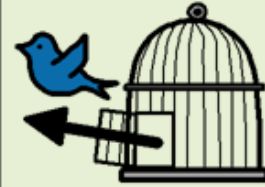

## What is a free person?

Someone who has access to education

Someone who can do what they want.

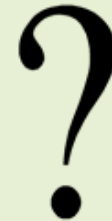

Someone who has freedom.

Someone who can make decisions about their own life.

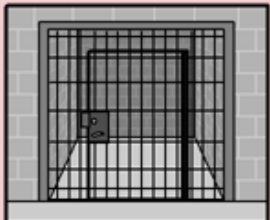

Someone who can make changes to their own life.

something else

## What is a slave?

Someone who is not free to make decisions about their own life.

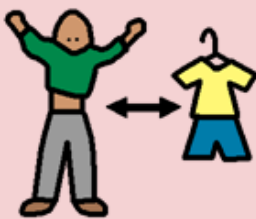

Someone who is forced to work for someone else.

Someone who belongs to someone else.

Someone who can make decisions about their own life.

Someone who can make changes to their own life.
