

# World Cup 2026 Round 1

How does it work?

There are 48 teams that have qualified.

The teams are put into 12 groups.

Each group has 4 teams.

The teams play against each of the other teams in their group once.

The winning team gets 3 points for each win.

If there is a draw, the teams playing, get 1 point.

There are no points for the losing team.

Once all the teams have played one another the two top teams move onto Round 2.
