PM

good

okay

bad

Why do you feel this way?

I worked well

I used my strategies

I followed instructions

I had fun

My friendships got better

today was easy

I learned something new

I had a good playtime

I had a good lunchtime

something confused me

I didn't work well

I didn't use my strategies

I didn't follow instructions

today was hard

I had an argument

Show how you feel your day has gone.
