

CP Investigates...

Design Brief

The **Children's Parliament Investigates** project is all about including children's views and experiences in creating a new culture of **kindness** and **dignity** in Edinburgh's schools.

Your design mission is to create a poster that will inspire and help others to make your school a happy, safe and friendly place to be. Your poster should include an **inspirational message** and you will use the **visual elements** to make your poster feel **positive** and eye-catching.

Make a note of some ideas for your message:
