An Early Language and Communication Improvement Story Board from Aberdeenshire

 The issue	 The team	 Our idea
<p>To find a model of training to facilitate collaborative practice to produce effective change</p> <p>To support whole EYP teams increasing practical knowledge and skills, to create a language rich environment for all children, infused with quality interactions</p>	<p>Local SLTs collaborating with their local Early Years settings</p> <p>Engaged with EYs teams who expressed interest and desire to make change</p>	<p>Series of 4 Interactive training workshops</p> <p>Key language stimulating approaches with high impact potential</p> <p>Whole EYP team</p> <p>Follow on modelling and coaching in setting</p> <p>Support for EYs setting initiatives</p>
 Tools & resources we used.	 What we did	 The impact
<p>Interactive, evidence based presentations</p> <ul style="list-style-type: none">  Quality Adult-child Interaction  Robust vocabulary learning  Phonological Awareness  Bringing Stories to Life (Narrative) <p>60-90 min powerpoint/practical learning experiences/discussion</p>	<p>To date: 46 workshop sessions 157 EY staff 12 settings</p> <p>Flexible delivery</p> <p>Simple data collection</p> <p>Concept shared with Early Years Management Team and Education Support staff with view to future collaborative QI projects</p>	<p>All participants responded as having increased confidence in promoting language development through all 4 approaches and confidence in applying to daily work</p> <p>Most instant impact noted in baby and toddler rooms</p> <p>Highly effective targeted groups in one setting</p> <p>Evidence of longevity in extended narrative approach in one setting</p>
 Our learning & next steps	<p>Important to set expectation of outcome</p> <p>Flexible working and commitment required</p> <p>Coaching aspect is challenging</p> <p>Support visits provide insight into life of EYP</p> <p>Need to actively reflect with EYPs in workshop to support action plan</p> <p>Challenge to establish self-sustaining practice</p> <p>Adapt for 0-3 years and seek collaborative opportunity with Health and Vol. sector colleagues to reach parents</p> <p>Seek opportunity with childminding networks</p>
