Family coaching at home

An Early Language and Communication Improvement Story Board from Fife

|  The issue |  The team |  Our idea |
|--|---|--|
| <p>Parents requesting support on Early language and communication from HV Service in addition to core HV Pathway contacts</p> | <p>Fife wide HV Service</p> | <p>For our Community Nursery Nurses to offer a more targeted intervention and coaching approach to support families with an identified need</p> <p>To create a direct referral process to the CNN's from HV's who have identified an initial concern/need thus allowing dedicated time to work and support a family for example, with play, attachment, challenging behaviours, sleep and speech & language development</p> <p>Support families whilst on lengthily waiting lists for specialised care</p> <p>To offer local groups within communities and online bite size sessions on key messages – link with SALT to offer collaborative session</p> <p>Possible joint home visits with SALT</p> |
|  Tools & resources we used. |  What we did |  The impact |
| <p>Utilised current resource of CNNs within HV Service</p> <p>Additional training provided to our CNNs expanding their knowledge base and confidence</p> | <p>Completed a referral form for HVs to complete requesting additional support to a family for a targeted piece of work</p> <p>Created a CNN Hub within 2/7 localities to date</p> <p>Made links with local authority nurseries with the aim to commence groups/linked in with partner agencies such as SALT offering the opportunity to provide awareness session</p> <p>Continue to expand to a further 5 locality teams offering a consistent approach across Fife</p> | <p>Established early relationships between HVs and parents</p> <p>Parents receiving support in a timely manner</p> <p>Progress of early assessment and early identification of issues</p> <p>Earlier delivery of Public Health messages</p> <p>Signposting to other supports/services</p> <p>Improved outcomes for children and their developmental milestones</p> |
|  Our learning & next steps | <p>Roll out of CNN hubs within all 7 locality HV Teams across Fife</p> | |
