

# Early Years- Book Creator

## What is it?

Book Creator is the simplest, most inclusive way to create content in the classroom. Book Creator is a multimedia tool that lets students make books with text, images, audio, and video.

## Add Multi-media

Images & Photos

Drawings & Handwriting

Speech to Text

Typing

Audio Recording

## How to use Book Creator in the Early Years:

- A Digital Jotter- where learners can independently record learning using multimedia
- Making pieces of text and books accessible with read out loud
- Creative and engaging ways to create text and understand story structure

There are two kinds of soil in

the Netherlands:  
1. Clay  
2. Sand
