

Early Years- Keynote

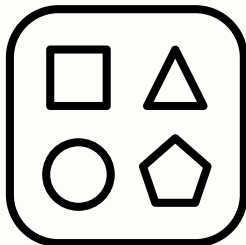

DIGILEARNPKC

Drawing & Shapes

Keynote is a super app for drawing and using basic shapes and colours to create digital designs.

Apple- Everyone Can Create

Everyone Can Create is a super guide created by Apple which shows you how to use the Apple Suite of tools in creative ways,

Animation

How to Animate- Youtube

Keynote animations can help learners tell creative stories using pictures and images. This can be exported to iMovie so they can then record a voiceover.

Tracing & Handwriting

How to support Handwriting- Youtube

How to Trace- Youtube

You can use Keynote to support learning through tracing. If you are working on forming letters or numbers we recommend using a child friendly stylus such as a Skriva Stylus.
