## *"Understanding the complexities of Emotional Abuse: Child and young person focused practice"*

Camelon Education Centre  
Abercrombie Street FK1 4 HA

13.30 - 16.30

**(Coffee, Networking & Market place from 13.00)**

### Target Audience:

Named Persons, Lead Professionals and members of the Team Around the Child or Young Person

### Session Outline:

- An opportunity to better understand the lived experience of the child or young person and feel more informed when responding to concerns related to emotional abuse.
- An opportunity to work on a case example and take a closer look at research findings and key messages arising from local child protection case conferences

### Learning intentions:

To understand the complexities and impact of emotional abuse

To clarify our roles and responsibilities and how we effectively work together

To use chronologies to assess and analyse risk and need when engaged in child and young person focused practice
