

# five to thrive

These posters introduce the Five to Thrive approach in a simple, accessible manner and are designed to be used as a set.

You can choose which image for each of the aspects of Five to Thrive you feel would be most appropriate for those you work with and then print them in the normal manner, choosing the page numbers as appropriate.

If you would like to order professionally printed A3 copies of these, please contact us on [01453 488400](tel:01453488400) or email [contact@kca.training](mailto:contact@kca.training)

knowledge that changes lives

# five to thrive

Your child's body grows better when you give the child good food.

Your child's brain grows better when you do five simple things...

five to thrive

# respond

*“ I feel very scared if I get no response from you. When you look at me with love in your eyes I feel safe. Your voice helps me to feel safe. Being close to you helps me to feel safe.”*

five to thrive

# respond

*“ I feel very scared if I get no response from you. When you look at me with love in your eyes I feel safe. Your voice helps me to feel safe. Being close to you helps me to feel safe.”*

five to thrive  
**cuddle**

*“ When I am close to you my body begins to work in tune with yours. Connections are building in my brain that will make it possible for me to control my body one day.”*

five to thrive  
**play**

*“ I need you to soothe me when I’m upset, but I also need you to make life interesting for me. Toys are great, but the best toy in the world for me is... you! ”*

five to thrive  
**talk**

*“ I love it when you take notice of what I am communicating to you. It helps me to feel that I am a real person who matters.”*

five to thrive  
**talk**

*“ The more you talk to me the more I can make sounds into words... Everything I learn in my life will be built on what you are teaching me now.”*
