Change, Grow, Live – recovery services for adults who use alcohol and/or drugs

Please join us to discuss this important area of ASP Practice. We have responsibilities to support adults early and effectively into support services. In addition, the use of drugs, alcohol or a person's addiction may at times have a serious effect on physical or mental wellbeing, and place them at risk of harm. Its vitally important that we recognise and respond in these circumstances and be informed and collaborative in our interventions.

With guest facilitators Norma Howarth and Jamie McGill from Change, Grow, Live who will provide an overview of CGL, what they offer and how to access/refer for support.

If you plan to attend the practitioners' forum please confirm attendance with Evelyn McGregor, Adult Support and Protection Training Administrator by email

evelyn.mcgregor@falkirk.gov.uk

Thank you
