

MULTI AGENCY PRACTICE LEARNING SESSION

“Getting it right for everyone”

SMALL GROUP DISCUSSIONS

QUESTION 1 – APPRECIATING

- Spend two minutes to introduce yourselves; and share either a good thing that has happened to you recently or something you are looking forward to.
- Discuss and record in your group examples of effective multi-agency working that you have each been involved in. Without being modest, this would be a high point, a time when you felt positive and engaged.

QUESTION 2 – ENVISAGING

- What are the core factors that lead to multi-agency working at its very best in Falkirk? (Discuss)

QUESTION THREE – CO-CONSTRUCTING

- Write a short Provocative Proposition of what the group wants to see more of. For example:

‘Two years on and we have developed our core strengths and we have moved forward successfully with regard to multi-agency working. Everything is as you wished it would be.’

- How would you describe our Children’s service and its relationships?
- What are people doing?
- How is this different?
- How did we get here?
- What would you like to see more of?
