Self-Neglect and Hoarding Policy and Guidance

Please join the Learning and Development subgroup of Adult Protection Committee to learn more about development of ASP practice in this area. During the forum we hope to gather your views and feedback on a new self-neglect and hoarding policy and guidance document prior to this being finalised and launched. We will also let you know more about new training opportunities and service development in this area.

If you plan to attend the practitioners' forum please confirm attendance with Evelyn McGregor, Adult Support and Protection Training Administrator by email evelyn.mcgregor@falkirk.gov.uk

Thank you
