

## Online professional learning opportunities

*For those practitioners who are looking to engage in CLPL during this time, the Forth Valley & West Lothian Regional Improvement Collaborative Career Long Professional Learning workstream have reviewed and developed this list of professional learning opportunities originally posted on Twitter by @lauratsabet. Where a course is included it is not an endorsement by the FV&WL RIC - this list is intended to signpost to a range of opportunities available and is by no means exhaustive. This resource is a result of a collaborative effort between colleagues in Clackmannanshire, Falkirk, Stirling, West Lothian, Education Scotland and the Forth Valley and West Lothian Regional Improvement Collaborative.*
