# EARLY YEARS CPL

## INCLUSION SUPPORT AND DEVELOPMENT GROUP

2022-23

### What happens in the Inclusion Support and Development Group?

- You will attend six sessions, in a group of around 25 led by an EP and a SLT, focused on developing your skills in successfully including children with additional support needs (ASN).
- You will have the opportunity to discuss issues related to children you are working with, with your peers and other professionals.
- You will get the chance to learn from invited professionals such as OTs, staff from Duntarvie/Linn, as suits the group's needs.
- You will be expected to try things out between sessions and reflect on your practice.
- You will get a warm welcome and a hot drink!

The group encouraged me to take action, carrying out practical activities following each input. This had positive impact on both learners and staff.

This has been a very rewarding course as I have had time to reflect on my practice and have shared my learning with my colleagues. All topics have been of value to support all children's learning.

### Who can attend?
